Furkan Emre Kozan

Haydarpaşa'88
Istanbul, Turkey

Summary

I am an active student at Haydarpaşa High School in various fields. I actively take part in Haydarpaşa High School's FRC, MUN, Academy, Informatics clubs, participate in events and develop projects. I like to help and support people. My biggest hobby is software development.

Experience

Haydarpaşa High School IT Club
Software Development Mentor
January 2023 - Present (11 months)
Istanbul, Turkey

One of the mentorships opened for the students of the Informatics Club at Haydarpaşa High School to improve themselves in these fields. I gave html, css, javascript trainings to the students.

Haydarpaşa Panthers #9231
Java Software Developer
August 2023 - Present (4 months)
İstanbul, Türkiye

As Haydarpaşa Panthers, our mission is to proudly and successfully represent the name of our school and our founder, the Great Leader Mustafa Kemal Atatürk, in front of tens of thousands of people on an international platform and to be an inspiration to young people who have big dreams in our country. To inspire young people who do not have the necessary means and opportunities.

Haydarpaşa Academy
General Captain
April 2023 - Present (8 months)
Kadıköy, Istanbul, Turkey

Haydarpaşa academy is an organisation established to develop the academic career of students and to produce projects for organisations such as Erasmus Tübitak. Students receive education from university professors and improve themselves by participating in various activities. They also produce projects.
